Forward-Looking Statements

Certain statements contained in this press release are not based on historical facts and are forward-looking statements within the meaning of federal securities laws and regulations. These statements are based on management’s current expectations, assumptions, estimates and observations of future events and include any statements that do not directly relate to any historical or current fact. These forward-looking statements can be identified by the use of words like “anticipates,” “estimates,” “projects,” “expects,” “plans,” “believes,” “intends,” “will,” “assumes” and other words of similar meaning. Owing to the uncertainties inherent in forward-looking statements, actual results could differ materially from those set forth in forward-looking statements. The Company intends these forward-looking statements to speak only at the time of this press release and does not undertake to update or revise these statements as more information becomes available except as required under federal securities laws and the rules and regulations of the SEC. Factors that could cause actual results to differ materially from those in forward-looking statements include, but are not limited to, the relative effectiveness of compensation-based employee incentives in causing improvements in Company performance, the capacity to meet the demands of the Company’s large national account customers, the extent of execution of plans for the growth of Company business and achievement of financial metrics related to those plans, the effect of the capital markets as well as other external factors on stockholder value, fluctuations in availability and cost of green coffee, competition, organizational changes, the impact of a weaker economy, business conditions in the coffee industry and food industry in general, the Company’s continued success in attracting new customers, variances from budgeted sales mix and growth rates, weather and special or unusual events, changes in the quality or dividend stream of the third parties securities and other investment vehicles in which the Company has invested its short-term assets, as well as other factors described from time to time in the Company’s filings with the Securities and Exchange Commission.
